RE: Extension of Contract SBPO1225, a Contract for Ammunition for the State of Idaho

Expiring June 30, 2011

The state of Idaho would like to extend the above referenced contract for a period of one (1) year.

The contract extension period is July 1, 2011 to June 30, 2012. The same terms, conditions and prices prevail for the contract extension period, except as expressly modified as follows:

- SBPO01225 is amended to replace the State's Standard Terms and Conditions originally incorporated in the contract with the June 28, 2010 revision, accessible on the State of Idaho Purchasing Website at: http://adm.idaho.gov/purchasing/TCs/Standard\_Terms\_and\_Conditions.pdf
- 2. The State of Idaho is working with the Western States Contracting Alliance on a multistate solicitation for ammunition. It will likely result in contract awards to multiple vendors, and contract awards will likely take place during the extension period discussed in this letter.

Therefore, SBPO1225 is amended to include the following clause:

ADDITIONAL AMMUNITION SOURCES: If the state of Idaho ("the State"), on behalf of the Western States Contracting Alliance ("WSCA"), awards contracts for ammunition during the period of July 1, 2011 through June 30, 2012, then the Contractor shall not prevent agencies of the State from purchasing ammunition, including, but not limited to, the same or similar ammunition as that is provided under contract SBPO1225, from other sources, or from complying with Idaho Code § 67-5718A(3).

<sup>&</sup>quot;Serving Idaho citizens through effective services to their governmental agencies"

Additionally, if the Contractor is awarded a WSCA contract for the same ammunition it provides to the State under contract SBPO1225, or, if the Contractor is a designated reseller under a WSCA contract for the same ammunition it provides to the State under contract SBPO1225, then contract SBPO1225 will automatically terminate upon the date of award of the WSCA contract, or upon June 30, 2012, whichever is earlier.

3. Salt Lake Wholesale Sports may submit updated pricing for the extension period for the State's consideration. If accepted by the State, it will identify so in an amendment to contract SBPO1225.

If the terms of this extension letter are acceptable to your company, please sign in the appropriate space below and send back to the Division of Purchasing or you can fax back to this office at 208-327-7320.

Thank you for your consideration in this matter.

Sincerely,

1
